

Are You Paying Someone to Back Up Your Data?

...But Still Not Sure If It's Working?

Our Services

Automatic Daily Backups

Set it and forget it. Your data is backed up every day without fail.

Encrypted Backups

Your data is locked down with military grade encryption.

Fast Recovery

Get your files back quickly in minutes, not days.

Secure Cloud Storage

Protected, offsite backups accessible anytime, anywhere.

Why Choose Us?

Here at Clear Sailing IT Solutions we believe in peace of mind and that shouldn't cost extra. Our solutions ensure your data is always safe, accessible, and recoverable.
